

Eminem - Encore/Curtains Down Lyrics

Sh-sh-sh-Shady

Aftermath

G-G-G-Unit

'Cuz we came here to set this party off right

Let's bounce tonight

And if they don't let us in through the front

We'll come through the side

'Cuz I don't ever wanna leave the game without

At least saying goodbye

So all my people on the left, all my people on the right

Swing one last time

Get your ass up for the Doctor

One more time, get your ass up for the Doctor

Come on now, here we go, cliff hanger, it's another club banger

Got you hangin' on the edge of your seat, get on down

Times up, games over, you lose, I win

'Bout to show these knuckleheads how to do this here

Ooh, yeah, new year, next phase, begin

Look who's got you goin' crazy again

I'm a trend, I set one every time I'm in

I go out and just come back full circle again

You a fad, that means you're something that we already had

But once you're gone, you don't come back

Too bad, you're off the map now, radar can't even find you

We stay on the grind, you slip, we out-grind you

You walk around mad, you let your anger blind you

We walk around just playin' the violin behind you

Enough with all the pissin' and moanin', whinin' and bitchin'

Sit and observe, listen, you'll learn if you pay attention

Why ten multi-platinum albums later, three diamond

World-wide, we're on the charts with a bullet and still climbin'

'Cuz we came here to set this party off right

Let's bounce tonight

And if they don't let us in through the front

We'll come through the side

'Cuz I don't ever wanna leave the game without

At least saying goodbye

So all my people on the left, all my people on the right

Swing one last time

When Dr. Dre say crunk, you will get it crunk, get it crunk
Crunk, crunk, crunk
And when 50 Cent says jump, you get on one foot and, jump
Jump, jump, jump, jump

The buzz is tremendous, we drop you all to sense it
I don't gotta promote it for you to know that Doc is off the benches
We keep the party rockin' off the hinges
We ain't showin' off, we just goin' off popular consensus

But critics say that Doc is soft, Doc is talk
Doc is all washed up, knock it off, who the fuck is Doc impressin'?
Doc is this, Doc is that, you got the wrong impression
You must be on the cock of Doc, 'cuz Doc left you all guessin'

So DJ take the needle and just drop it on the record, what
We gon' have this mutherfucker hoppin' in a second, bump bump
That's why we always save the best cut last
To make you scratch and itch for it like fresh cut grass

'Cuz we done swam with the sharks, wrestle with alligators
Spoke to a generation of angry teenagers
Whom if it wasn't for rap to bridge the gap, maybe raised to be racist
Who may have never got to see our faces

Grace the cover of Rolling Stone pages
Broke down barriers of language and races
Just call on the cape crusaders and leave it to me and Dre
To pass the mic and we can play the back and forth all day
Like the hot potato game, that's why we came to

'Cuz we came here to set this party off right
Let's bounce tonight
And if they don't let us in through the front
We'll come through the side

'Cuz I don't ever wanna leave the game without
At least saying goodbye
So all my people on the left, all my people on the right
Swing one last time

50 Cent, come on, bounce now, hands up, you know how we do it
We make the club jump everywhere we go
It's no secret, everybody know
When Dre's involved, there's plenty money involved

And plenty honey's involved, the sunny Sunday's and palm trees
Cali, everyday it's just another party from the valley's
All the way to them 8 Mile alleys, let's rally
Hands up for the grand finale

Now raise up out your seat, Dre is about to speak
Six days up out the week
You could catch me in the studio bangin' out the beats to
Provide you with the heat that keep blazin' out your speaker

So never say never 'cuz Shady Aftermath together
Along with G-Unit Records presents the return of the-the Doc
And Shady, no one could do it better
We tear the club up and leave without a strand of evidence and uh

'Cuz we came here to set this party off right
Let's bounce tonight
And if they don't let us in through the front
We'll come through the side

'Cuz I don't ever wanna leave the game without
At least saying goodbye
So all my people on the left, all my people on the right
Swing one last time

Yeah, still Aftermath, 2006
And don't worry about that Detox album, it's comin'
We gon' make Dre do it, 50 Cent, G-Unit
Obie Trice, D-twizzy, Stat Quo, Dr. Dre, we ain't leavin', let's go
Ladies and Gentlemen, thank you all for comin' out, peace
